

MCNB-Cricket Champ mini

Cricket Champ mini is a fun sports panel which provides endless hours of target practice.

The outline of a cricketer gives children the feeling that they are bowling against a batsman and they can make their own rules up by shooting for the numbered targets on the wall.

This game is perfect fun at playtime amongst friends or for anyone wanting to improve their bowling.

Quick start rules: Spin the wheel on the scoreboard to select which distance to shoot from and aim for the wickets or disks to see how many points can be scored.

Optional tarmac or astro turf available/
dependant on site and budget.
Minimum area required: 4m x 12m

Thermoplastic
